# WHAT IS LE CIRQUE DES RÊVES

- **Following on the heels of 2016's sold out Gala and most successful fundraising event in LFT's history**
- On 25 February, 2017, The Warehouse venue in Downsview Park sets the scene of this event: hidden away in an industrial area, no one imagines Le Cirque des Rêves to appear, but it does and just for one night, at the end of which it disappears again; no one from outside any the wiser of Le Cirque's existence. They just know they woke up the next morning with the vague sense that they missed something special.
- **Featuring:**
  - Cocktails, hors d'oeuvres and a delicious 3-course sit-down meal drawing inspiration from traditional circus fare
  - Animated GIF booth with magical, mysterious Night Circus style props
  - Red carpet paparazzi
  - A silent auction, 50/50 draw and other opportunities to win some truly great prizes
  - Live magical, mysterious entertainment, music and dancing
